

Can read newspaper for tomorrow.
Next week.....

Newspaper / Media would
be revolutionary

Janakit's main job
is to sleep and read
other news

IQ dramatically
increase

People need more
brain matter to handle
the ability of future.

Study of
human brain
Animal

Understanding psychology develops
of dramatically

Fossil decrease.

Teager to hit about

Economical

Engage less power
of predicting

Religion has less / more
impact

Cultural

Obsessed with
predicting

People have
have / less sleep

Afraid to know

What if dreams predicted
the schedule of the next day?

Less human activity
in general.

Social have
reflect.

Difficult to tell the difference
between dream / reality

Large group of
Depressed Dreamers.

Medicine produced to
stop the predicting power
