

Animated Narratives - Week 10 - Light concept

Animated Narratives - Week 10 - Light

Light revealing true feelings:

Light reveals here actually what the person thinks
reveals the inner state of the character
makes the character vulnerable
can be beaten easily but is very strong

person turning evil

how a person turns evil is visible through the light(background and foreground)

light coming from eyes

dark and scary light gets emitted from the eyes once the person becomes evil

reveal

light being used to reveal or hide the good/bad in a person's character
